

IMPACT HD III

HEAVY DUTY GEL DEGREASER

CONCENTRATED GEL BASED DEGREASER FOR VERTICAL AND OVERHEAD AREAS

When using any NUVITE product, please refer to appropriate procedures and recommendations for use and equipment, or contact a NUVITE technician for more information, unique applications and special requirements.

HEAVY DEGREASING

1. Apply full strength with mop or pressure spray.
2. Allow to soak, but not dry.
3. Agitate with mop to assist cleaning
4. Use high pressure spray to rinse away loosened grease. Repeat if needed.

LIGHT DEGREASING

1. May be diluted 1:2 with water. Spray on surface.
2. Allow to soak, but do not allow to dry.
3. Use high pressure spray to rinse away loosened grease. Repeat if needed.
