### High Gloss Wood & Polyurethane Finishes

1. Apply uniformly to surface with smooth cotton pad.
2. Rub into scratched or damaged areas to help restore surface.
3. Allow to cure on surface until rich natural glow shows
4. Hand buff with clean dry cotton cloth/pad.
5. Extremely dry natural wood may benefit from additional applications.
6. For heavily soiled areas, use NUVITE's C-49 as directed prior to use of Regard.
