

## Leather Guard

### **FINE LEATHER FINISHER & CONDITIONER**

Replaces critical lost oils & helps leather resist cracking from over drying

### **LEATHER SURFACES**

1. Pour a small amount of **Leather Guard** onto smooth cotton rag.
2. Apply uniformly over surface.
3. Spread & work into surface.
4. Use clean dry cotton towel to polish to soft luster.
5. Damaged leather surfaces may benefit from additional application.

*\*Product dilutions are determined by extent, condition & soil type.*
