

# GOODBYE NF

PC2147 Series

**GOODBYE NF** is a liquid lavatory deodorant for aircraft use that is specifically designed to meet environmental regulatory standards, control odor and maintain cleanliness of holding tanks.

## APPLICATION

For normal use, mix  $\frac{1}{2}$  oz of **GOODBYE NF** per 1 gallon of water. Add solution to lavatory truck and charge lavatories per normal routine. For in-flight use, **GOODBYE NF** may be added directly to on-board toilets.

If lavatory system is severely clogged, use Nuvite's **ELIMINATE** prior to using **GOODBYE NF**.

For best results, please consult with UPI/Nuvite technical staff for further recommendations, and application techniques.

## BENEFITS

- Completely biodegradable
- Safe to all airframe components
- Superior odor and color control
- Conforms to airframe OEM standards and specifications

## PHYSICAL CHARACTERISTICS

TEST	GOODBYE NF
Appearance	Dark blue liquid
pH	7.1 - 7.5
Specific gravity	1.01

## AVAILABILITY

1 Gallon, 1 Quart
